This Week's News:

On Tuesday, May 7, the State Senate confirmed the nomination of James D. Bruner for reappointment to the ASRS Board.

Thursday, May 9, the Senate concurred in the House amendments to SB 1095 (ASRS; federal conforming changes with RTW), and passed the bill on a 27-0 vote. It has been sent to the Governor.

HB 2558 (retirees; health insurance; enhanced subsidy) passed Senate COW on Wednesday, May 8, and awaits 3rd Reading in the Senate.

The House passed the package of budget bills for the 2003 budget year. There is no mention of any early retirement window. The major contention on the package revolves around the elimination of the State Board of Community Colleges and cuts in Public Safety/Corrections.

The budget package included the following:

- HB 2706 (general appropriations; fiscal year 2002-2003) passed the House on a 33-24.
- HB 2707 (capital outlay; appropriations; 2002-2003) passed the House on a 34-23.
- HB 2708 (omnibus budget reconciliation; public finances) passed the House on a 33-24 vote.
- HB 2709 (health; budget reconciliation; 2002-2003) passed the House on a 35-22 vote.
- HB 2710 (education; omnibus budget reconciliation; 2002-2003) passed the House on a 32-25 vote.
- HB 2711 (appropriations; biotechnology) passed the House on a 45-12 vote.
- HB 2712 (IRC conformity; revenue sharing) passed the House on a 46-10 vote.

The bills now go to the Senate for action.

Next Week:

The Senate returns to the Floor at 10 a.m., Monday, May 13; the House returns at 1 p.m. Today is the last day for conference committees unless the Speaker and President provide an extension of time on Monday.

Speaker Weiers is reported to be hopeful that the Legislature can adjourn by Friday, May 17.
